

Jumping from an airplane without a parachute - could be devastating. Not preparing your family for an emergency could also be devastating.

Now is the time to jump into action and get the information you'll need to be ready for any local emergency.

Residents of Umatilla or Morrow Counties may call **(877) 367-2737** for information on developing a family emergency plan. In Benton County, residents may call **(800) 841-7953**.

Emergency preparedness information is also available on-line at www.csepp.net.

Chemical Stockpile Emergency Preparedness Program (CSEPP)
